## Tee off to help

GOLFERS are needed to tee off at Point Cook this month in support of disabled people from the west.

Mambourin's fifth annual charity golf day is on Friday, March 25, at Sanctuary Lakes Golf Course.

Mambourin is a non-profit organisation that provides support, training and meaningful employment for more than 400 people with a disability living in the west, including Wyndham.

Organisers hope to raise more than \$20,000 for new furniture at Mambourin's day centre at Werribee South.

Last year's event raised \$21,000, which went towards a new vehicle for Mambourin's gardening team. People wanting to take part in the charity golf day or to sponsor a hole, phone John and Jeanne Burdidge of Friends of Mambourin on 9395 4004.
