

## ***The Choir***

The choir was established by Mambourin Facilitator Fou in 2006. The choir is about fun, confidence, self-esteem and friendships. Also developing and achieving goals and the ability to stand up in front of an audience and perform live.

A piano was donated to Mambourin's Altona site in 2000 and was transferred to our Sunshine site in 2004. The piano has enabled the Choir members to co-write their own songs and work as a group to complete song-writing.

Since 2006 the Choir has performed in more than twenty public events within Brimbank, Hobsons Bay, Wyndham, such as at Sport Festivals, Footscray 150 years Festival, Altona beach events, Christmas Carols by candlelights, AGMs and many more.

The choir has come a long way and it's designed by the clients to accompany their needs and fulfil their goals. The Choir started in 2006 with 5 members and today accommodates 11 members.

The Choir visits once a week the Western Gardens Nursing Home, where both Choir members and residents enjoy music, singing, dancing and sharing stories.
