Dear Mambourin Community Member,

Re: Snap five-day lockdown

The Premier has announced a snap five-day lockdown for Victoria from 11.59pm tonight Friday 12 February. I'd like to provide an update on what this means for services at Mambourin.

There will be no group activities at Mambourin Community Hubs or WAM (Weekends at Mambourin) from 11.59 pm tonight (Friday 12 February) until 11.59 pm Wednesday 17 February.

Under these restrictions Mambourin can only provide essential support to people in a 1:1 capacity at the hub or in the community for the next five days. We may also be able to provide essential in-home support, but this will be dependent on capacity. We will do our very best to support as many people as we can within these restrictions.

A Mambourin team member will contact you directly by phone as soon as possible to discuss your individual support needs. If you haven't heard from us, please contact your local hub manager.

If you have any questions, please don't hesitate to speak to your local hub manager or email me directly at CEO@mambourin.org.

Thank you for your continued understanding. I really appreciate your efforts to protect everyone in the Mambourin community.

Yours sincerely,

Rohan Braddy
Chief Executive Officer
