Traineeships &
School Leaver
Employment Support

Meet Tim

"Working at Mambourin with my traineeship taught me so much about working. I got to be part of real projects with my friends ... I want to work towards being a warehouse manager."

Tim began his traineeship with us when he was in Year Ten. He went on to get a Certificate III and now holds a leadership role in our warehouse.

A young man with short brown hair, smiling broadly, wearing an orange high-visibility long-sleeved shirt with a dark blue collar and a yellow McDonald's logo on the sleeve. He is in a warehouse setting with shelves and equipment in the background.

We'll open up the world of work for you with our traineeships designed for students with a disability

Traineeships

Do I get paid as a trainee?

Yes! When you begin your traineeship you become an employee with Mambourin. This means you get paid for the work you do.

Are there exams?

Your traineeship is made up of practical learning and competency assessments. You will have some course work but our experienced trainers can support you to get it done.

How many days do I attend my traineeship?

You'll attend your traineeship two days per week:

- Practical work - one day a week in paid employment with us in a supportive team
- Coursework - one day a week with experienced trainers from the RTO.

What is the cost?

Mambourin will meet the course fees for all eligible trainees. This means that you can undergo training at no cost provided you meet the criteria for a wage support.

To qualify you must:

- be over 16 and still enrolled in a school who will agree to sign a training plan
- have a diagnosed intellectual disability or be experiencing learning difficulties
- pass basic LLN assessment
- be able to provide proof of citizenship and identification (Medicare, birth certificate, concession card etc.)
- be eligible for Skills Victoria subsidy.

We can create a pathway for you no matter what your goals may be. Whether you are wanting to learn new skills, find a job, or keep on learning, we'll get you there.

Supply chain operations

Certificate II and Certificate III

Start your career in supply chain operations today with a traineeship at the Mambourin Training Centre. You will develop your ability to undertake a range of tasks and work confidently, effectively and safely in a modern warehouse.

Meet Monica

"I started my training to get my forklift licence which I wouldn't even have had the confidence to try for had I not received the encouragement from Mambourin."

Monica completed her Horticulture Certificate II, Warehousing Operations Certificate III and then went on to undertake SLES.

SLES

School Leaver Employment Support

SLES is an NDIS support for Year 12 school leavers. It is a two-year program to help you build the confidence and skills you need to get ready for work. SLES is tailored to meet your individual employment goals.

SLES might be for you if:

- You're not sure what you want to do after finishing school
- You're not ready for work yet
- You need more training to get work-ready

We can
support you
to meet your
employment goals

Our SLES program includes:

- Identifying interests and skills
- Personal health and wellbeing activities
- Travel education
- Nationally accredited training

Accredited training is delivered by Moe Life Skills
(RTO number 20146)
